

YOUR GATE TO EUROPE

Settle your business where innovation meets opportunity in
Rüsselsheim, Raunheim and Kelsterbach

Innovation Hub RheinMain

ABOUT US

The Innovation Hub RheinMain is the continuation of the strategic cooperation between the three cities of Rüsselsheim, Raunheim and Kelsterbach, which previously operated under the name „Dreigewinnt“.

We are the number one destination for investors in central Germany and the kickstarter for investors from all over Asia.

We are an accelerator for the future of the region, and we offer space for new ways of thinking.

We are the location for Asian Startups.

Recruiting

JOB FAIR & PR SUPPORT

The city network is looking forward to working in close partnership with you. Local political representatives will support your company at public appearances.

You will be offered exclusive urban sites for advertising promotions for a limited period, to profile the company, for staff recruitment and for publicity work.

Relocation Assistance

ASSISTANCE WITH VISA AND RESIDENCE PERMIT

As part of responsibilities and capacity for influence, the Innovation Hub RheinMain will support you in obtaining residence permits and visas.

Accommodation

LOW COST OF LIVING OVERHEADS

The three cities of the Innovation Hub offer exceptionally low charges for water and drainage when compared to many other towns in the area. Electricity and gas networks are subject to open competition, and your employees will be able to choose their own preferred provider for telecommunications, electricity and gas.

Family

SCHOOLS & KINDERGARDENS

The cities offers individual programmes for children for language learning and integration. Currently, children from 186 nations attend schools and kindergardens in Raunheim, Rüsselsheim and Kelsterbach. Your employees' children are warmly welcomed and will feel right at home in our facilities.

Space to work and live

IN THE RHEIN-MAIN AREA

What else do you and your team envision for the new company location? Whether it's a vibrant marketplace for shopping, a diverse range of dining options, ideal leisure opportunities, or a nearby kindergarden, the surrounding area of the Innovation Hub offers the space and potential to meet these needs — ensuring a high quality of life for everyone.

Individual office space

FOR THE HIGHEST DEMANDS

With its prime location, advanced technological connectivity and excellent infrastructure, the properties fulfill all the requirements for exclusive and attractive company headquarters. Offering various floor plans and building types, you have the flexibility to design your office space exactly as you envision it. We would be happy to provide planning examples to inspire your vision.

Modern Workspace

MODERN OFFICESPACE

Modern workspaces in the Rhein-Main area are increasingly characterized by flexibility and innovation. Many offices are designed with open layouts, collaborative spaces, and cutting-edge technology to foster creativity and efficiency.
